Andries Gouws' two previous solo exhibitions – *Hiding behind simple things* and *Pedestrian paintings* – travelled to museums and public galleries in all the major centres of South Africa.

This leaflet shows some of the works on the current exhibition, *Vertoef/Linger*. More images and information regarding this exhibition can be found on the Andries Gouws website (see below). This website also contains images of his other work, his CV, an artist's statement, reviews, some of his writings on art and culture, and information about his art workshops.
